

1. K-LOVE radio serves my community by bringing the positive message of Jesus Christ. It also provides the hope of Jesus to everyone in my area.

2. I believe K-LOVE should continue on its current format and not on the LPFM because of its very existence and importance to our community. Please do not give K-LOVE a lower priority over other stations.

3. I believe that K-LOVE provides a positive, Christian service to the community.

Thank you.
